Frequently Asked Questions

How much is due at the time of booking?

- A \$300 refundable security deposit & a percentage of the venue fee is due when booking to secure your reservation. The amount is based on the location of your event and how far away your booking date is from the event date. Usually this is 50% of the contract.

Is the deposit included in the cost of the venue rental?

- The deposit amount is built into the rental cost. The separate \$300 security deposit is refunded after the event if no damages have occurred.

Are there any other fees associated with the venue cost?

- We are a non-profit so we do not charge tax and do not have admin fees or service charges.
- If your event goes beyond your contracted rental time, you will incur an overtime charge of \$100 or more, to cover staffing fees.
- Chairs, tables, and linen are available for use at an additional cost.

What kind of payment options do you have available?

- Payments may be made by credit card, cash or mailing in a check. We will not take payments out of your account automatically; you must provide the credit card number each time.

When is the final payment due?

- Final venue payments are due the day of your event date.
- Any additional add-ons or rentals must be arranged no later than 30 days before your event.

How do I book?

- Once you are ready to book all we need is some information to make your contract. We will then send you your contract and payment form to confirm the booking. Once we have these two items back your event will be fully booked.
- Call the office at (903) 675-5630 or email arboretum@easttexasarboretum.org

Does the Arboretum have any scheduled or expected construction projects going on that might affect the venue space during the event?

- Maintenance and/or construction may be needed for up keep of the venue or garden. Most instances are planned in advance and if needed we notify a client that their event may be affected by this.
- Fountains and water features on the property are all subject to mechanical breakdown at any given time. ETABS will not refund for gardens whose fountains or water features are unusable due to repair or maintenance needs. A comparable relocation may be considered if needed.

Do you offer a rain plan for ceremony only locations?

- It's always a good idea to have a back-up rain plan in case of poor weather.
- The East Texas Arboretum is unable to provide a rain back up for ceremony only locations.
- If one of the covered event spaces is not being used at the time of the event, we can use one of these as a rain plan; subject to availability of space.

Do any of the locations come with a tent?

- All outdoor locations come as they are. Tents are allowed to be brought in, just make sure that any necessary permits are provided at least 30 days in advance.

Frequently Asked Questions

Do my guests need tickets to come in?

- No they do not. Your event is on our calendar that is given to the welcome center. All they will need to do is check in under your event name and they will let them through.
